

Pre-Acid Decorative Textured Glass

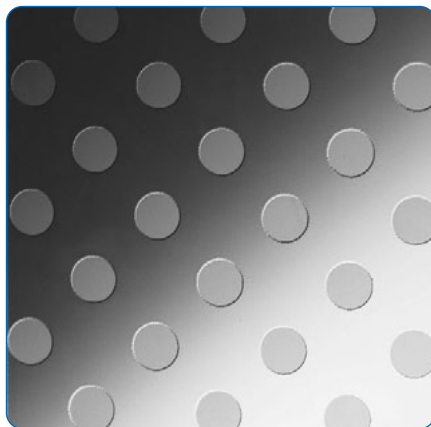

Rimini

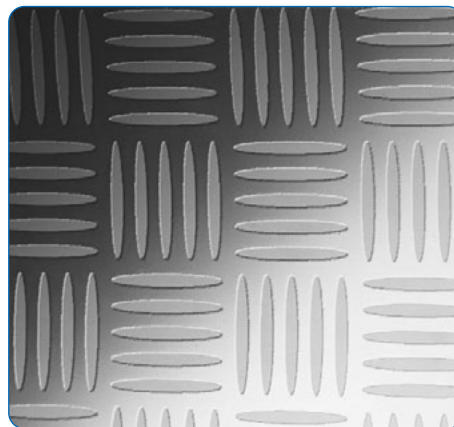

Vigo

Tokyo

Malmö

Detroit

The latest range of Pre-Acid Glass is now available exclusively from Preedy Glass.

The range offers five design options to the specifier. Available in 8mm substances only, up to a maximum size of 3210mm x 1800mm, the glass can be toughened, heat strengthened and laminated.

The designs can be used to great decorative effect in domestic, retail and commercial situations.
